

WARNING!

Intended use for the product: domestic

Maximum load 110kg

INSTRUCTIONS FOR USE OF THE PRODUCT

- This product has been designed for use by one person at a time.
- Overloading the product beyond the allowed limit can damage it and injure people (possibly seriously).
- While using the product, ensure that the legs are resting in a level position on the ground at all times
- Ensure that the product is fully open before sitting down, that it is evenly balanced on a flat, firm surface, and that the legs are resting correctly and evenly on the ground.
- Be careful to avoid injuring fingers while opening/closing the product.
- If provided, correctly engage the safety mechanisms that ensure the product can be opened and used safely, preventing the item from closing accidentally.

INSTRUCTIONS FOR MAINTENANCE

- During winter, store the item in a cool dry place.
- Do not use harsh cleaning agents. Clean with a damp cloth and dry.
- To keep the item and its metal parts in good condition, ensure that the product is kept clean and dry.
- Shelter from exposure to bad weather and dry the product immediately if it gets wet.
